**LUCKY TOAD LAGER** AVB 4.5 IBU 17 Hops: Horizon, Willamette. A light crisp lager true to the American style SEASONAL - not always available.

**SMARTE BLONDE** AVB 4.7 IBU 20 Hops: Willamette. Light sweet malty aroma with a low fruitiness and low hop aroma. Easy- drinking, approachable, malt-oriented American craft beer.

**E9 PALE ALE** ABV 6 IBU 30 Hops: bittering-Chinook, aroma-Cascade & Citra. Pale golden with a moderate hop aroma from late kettle additions of Cascade and Citra hop varieties. Refreshing and hoppy, yet with sufficient supporting malt.

**COPPER ALE** ABV 5.6 IBU 29 Hops: bittering-Horizion, aroma-Cascade & Palisade. A light citrusy hop character mingles with a moderately high maltiness that balances for an overall smooth finish.

**HOP-A-LONG RYE-PA** ABV 6 IBU 53 Hops: Columbus, Chinook, Cascade, and Glacier. With an earthy start and moderate hop profile, this twist on an India Pale Ale won't make you pucker too much and will definitely leave you wanting another.

**GRUMPY OLD TROLL IPA** ABV 7 IBU 84 Hops: Chinook. Made by the grumpiest of old trolls, but still quite happy in its hop profile.

**BIG DITCH BROWN** ABV 6 IBU 22 Hops: bittering-Columbus, aroma-Cascade. Malty, sweet and rich, with a chocolate, caramel, toasty quality. Can be considered a bigger, maltier, hoppier interpretation of Northern English brown ale or a hoppier, less malty brown porter.

**PENDEJO PORTER** ABV 7.5 IBU 27 Hops: bittering-Columbus, aroma-Palisade. Roasty aroma, very dark brown, with garnet-like highlights approaching black in color, with a lightly burnt, black malt character. A large, strong beer that adds a slight alcohol warmth.
